Scope of application

This data protection information only applies to the use of the website www.blue-sky-global.com. If you visit another website, the data protection regulations of the respective operator of the visited website apply. This also applies to websites to which we refer via a link.

Data processing when accessing the website

When you access our website, data is automatically stored and possibly processed in log files, which your browser transmits to the server on which the website content is hosted. This data is collected solely for the purpose of operating and providing the content on the website. In addition, data from the log files are used - if necessary - to ensure the security of the website. This data is not merged with other data sources that could possibly establish a personal reference.

Collection and storage of personal data

When you visit our website, data is automatically collected. This is necessary to enable you to visit our website. The following data is collected: Internet service provider, IP address, name and version of the browser you use, the operating system you use, the date and duration of your visit and the website from which you visit us.

In addition, personal data is only stored if you provide it to us voluntarily, for example in the context of an enquiry.

Use of personal data

We use data that is automatically logged when you use this website for the administration and optimisation of this website. In addition, we evaluate the data for statistical purposes in an anonymous manner. We use personal data that you have made available to us to answer your enquiries, to execute and process contracts concluded with you and to operate and maintain this website. We only use them for other purposes with your prior consent.

Customer loyalty measures

Blue Sky Global Management Germany GmbH informs its customers from time to time by e-mail or letter about offers, news and developments and/or invites them to events. The legal basis for the data processing required for this is found in Art. 6 (1) DSGVO. According to Art. 47 DSGVO, our legitimate interest lies in direct advertising. You can of course object to the use of your e-mail address and postal address for advertising purposes at any time.

Disclosure of personal data

We only pass on your data to third parties if this is necessary and legally permissible for the operation and maintenance of this website, for enquiries, for the processing of contractual relationships - existing between you and us - for invoicing purposes or for statistical evaluation. Third parties commissioned by us are then selected and obliged to treat your personal data in accordance with this data protection information and the relevant data protection laws and not to pass it on to third parties.

In addition, your data will only be passed on or transmitted if you have agreed to this or if we are legally obliged to do so.

Deletion of personal data

We process existing personal data only as long as necessary. As soon as the purpose of the data processing has been fulfilled, the data will be blocked and deleted in accordance with our deletion concept. Unless legal regulations prevent this.

Google Maps

This website could use the product Google Maps. Google Maps is an online map service. The operating company of Google Maps is Google LLC, 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA ("Google"). By clicking on an "Open contact page" link and using further Google Maps features embedded on this website, you consent to the collection, processing, and use of automatically collected data and data provided by you by Google, one of its agents or third parties in accordance with the Google Maps Terms of Use and Google's Privacy Policy. We do not collect or store any data in connection with your use of the Google Maps features embedded on our website.

Your rights as a data subject

You have a right to free information about your stored data and, if applicable, a right to correction, blocking, deletion, and porting of this data. You can revoke your consent to data collection, data processing and data use at any time with effect for the future. To do so, please contact us by e-mail at info@blue-sky-global.com.

Reservation of right to change / status of data protection declaration

We reserve the right to change the above data protection declaration at any time - in compliance with the statutory provisions.
